

Drone Aviation Academy

South Africa's top Drone Flying School

Drone Aviation Academy offers superior flight training in operating **Unmanned Aviation Systems (UAS)**. We are the only drone flying school in South Africa that offers drone pilot training in all aspects of drone applications.

Enroll for your *Professional Drone Pilot Course* now and become one of the few professional UAS Operators in South Africa!

After being trained by DAA as a *Professional UAS Operator* you will be able to provide:

**Anti-Poaching Field Assistance
& Wildlife Research**

Policing Assistance

Neighbourhood Anti-Crime Watch

**"Eye in the sky" Crowd Control
& Traffic Watch**

**Agriculture Precision Farming Surveys
& Support Services**

Events & Sport Camera Assistance

Aerial surveys for drawing up maps

And much more!
